Hole-by-hole scores and shots for all of your rounds

Score history. Track hole-by-hole scores for all of your rounds
Shot history. Track hole-by-hole shots (e.g. fairway hit) for all of your rounds.
Analysis. View in-depth analysis of your game. An easy-to-use and flexible performance analyzer produces instant reports on your game. See your strengths and weaknesses in just a couple clicks. Easily select which rounds to analyze using criteria such as dates, course played and other criteria.

Add Swing Videos to your Profile!

Add a Straight-On and a Down-the-Line swing video to your public profile. Videos can be seen by all website visitors. Watch swing video at normal speed or in slow motion. Use lines, circles and other drawing tools to analyze your swing.

Your Personal Course Address Book

Track and categorize courses of interest. Quickly access complete course information including contact information, websites and scorecards. Store your notes for each course in your personal Course Address Book. View an analysis of your game at each course.

Friend's List

Add other members to your personal Member Address Book and view their handicap information and tournament performances.

Special Features for Tournament Players

Tournament Shot History. Add hole-by-hole shots (e.g. fairways hit) to your tournament rounds.
Tournament Rounds Score History. Add hole-by-hole scores to your tournament rounds when just total scores have been entered by tournament staff.
Analysis of Tournament Rounds. View in-depth analysis of your tournament rounds based on scores and shots.
More Tournament Stats. View additional statistics (e.g. best finish) for your tournament rounds.
